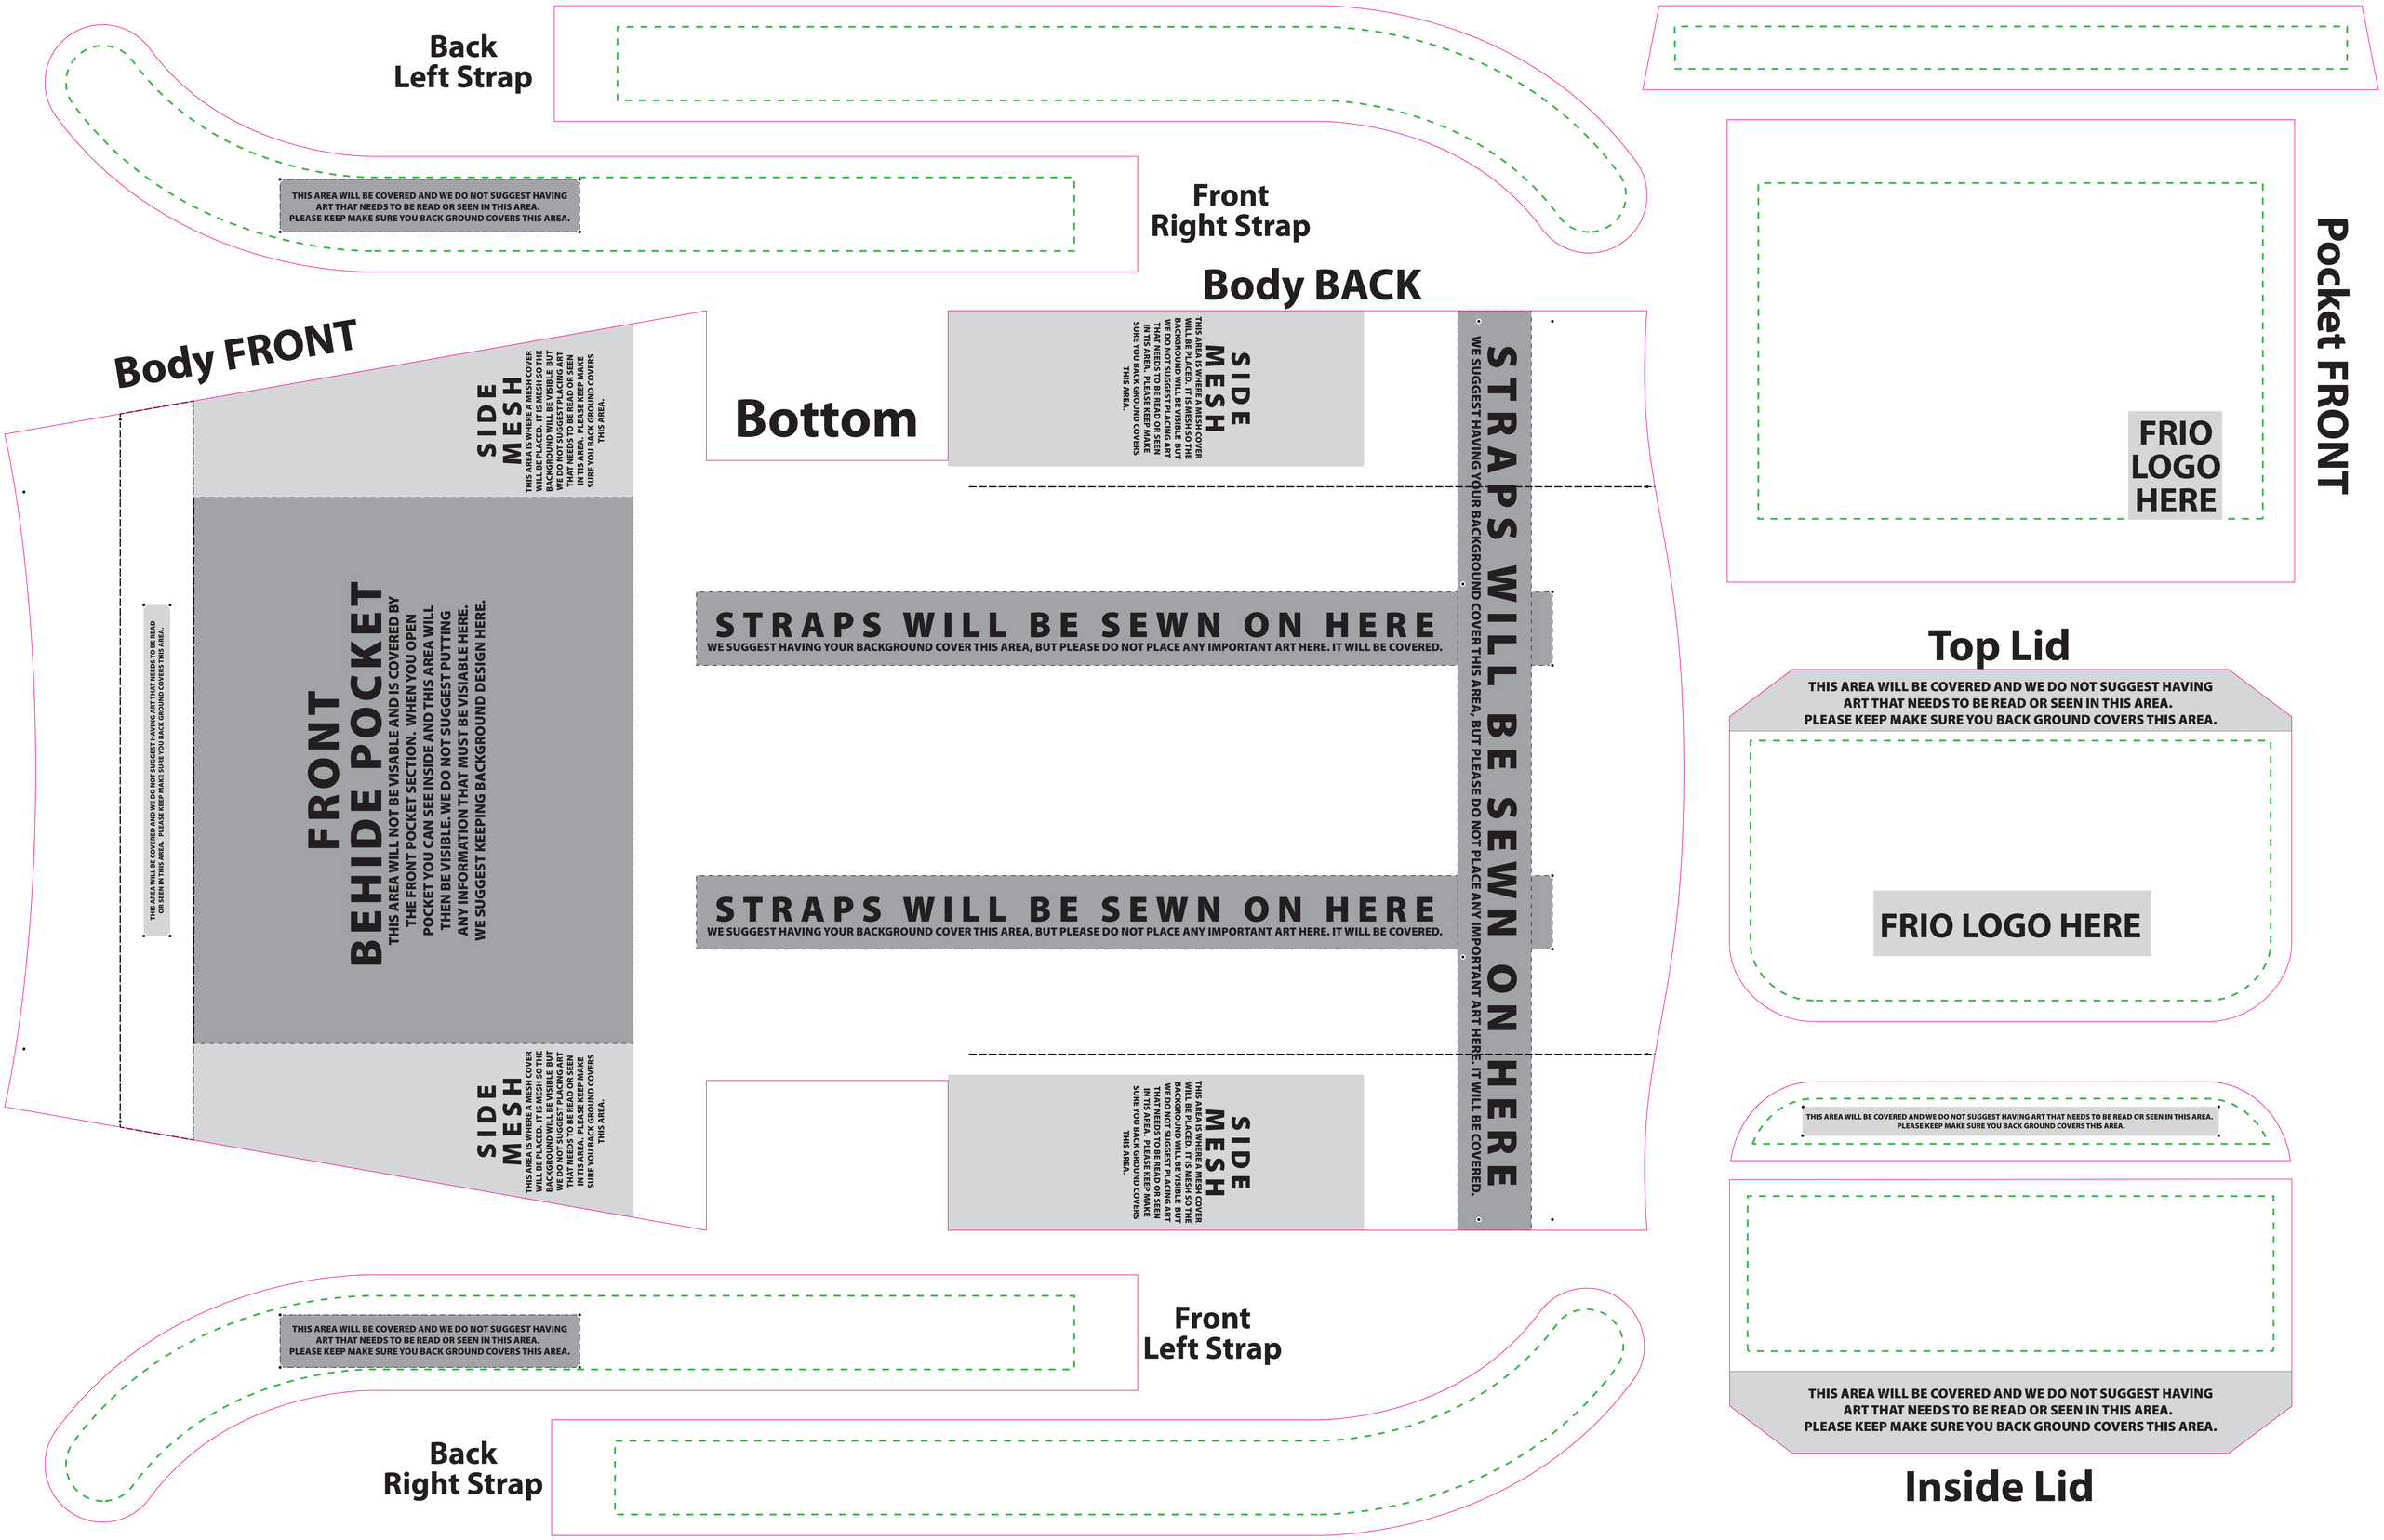
(Visible Sewing lines)

Suggest Safe Imprint Area
(Safe area we suggest for important text, logos, and/or art)

FILE SAVING GUIDE:


- All text and type must be converted to outlines.
- Extend art to bleed line if design calls for bleed.
- Please embed or send art files that have been placed into the art.
- Please supply PMS colors if color matching is needed.
- Save file as PDF, AI, or EPS at 300 dpi (highest resolution).
